

## Announcing our 6<sup>th</sup> Annual Chili Cook-Off and Silent Auction!

The King's Christian School values our partnership with the local business community. Your support helps our school ministry offer excellence in the education of our students in grades PreK through 12th. At TKCS, students are taught accountability, responsibility, and integrity, while experiencing college preparatory academics, athletics, and fine arts. They are also involved in regular community service projects and yearly missions trips. Our school is fully accredited by the Middle States Association of Colleges and Schools and the Association of Christian Schools International.

On February 4, 2017, the Parent Teacher Fellowship (PTF) is sponsoring an auction to raise funds for the purchase of new technology for our school. This new technology will help our teachers enhance the educational experience for our students.

By donating items for our silent auction (products, services, gift certificates, etc), you can help to improve the education of our students. No item is too small, and we would proudly display your company brochures and flyers at our event. All donations are tax-deductible (**Tax exempt # 210-721-376**).

Donated items for our silent auction can be mailed to:
