Will contact Mrs. Scaffidi for details and maybe see what pricing Miles Technology can offer us.
4. Recap of event: 13 chili entrants, 189 attendees; went through 11 gallons lemonade, 7 bottles of soda, 1 gallon punch; coffee was popular, lots of condiments left over (cheese, sour cream); people liked the magic show
5. Next year: Have a simple dessert (cookies), max 20 chili entrants, less toppings and/or encourage entrants to have their own toppings; some more entertainment in the beginning to keep kids occupied before the magic show (he said he can walk around and do one on one tricks or balloon animals)
