

FROM THE MS/HS LIBRARY:

Welcome back!

*The Library opens for business on
Wednesday, September 5*

To help our students ease back into the school routine, the MS/HS library will once again host a Textbook-Cover-Up.

Covering textbooks with paper bags is becoming somewhat of a lost art. We suspect that many of our students have been bringing their textbooks home to get help with the paper book covers from mom or dad. This year, all students, grades 6 through 12 who are required to have paper textbook covers are invited to the MS/HS library to cover their textbooks together with their classmates.

There will be a how-to video available as well as guidance from experienced adults. Some paper bags will be provided, but if you have any at home it would be appreciated if you would send them in. Best of all, once the textbooks are covered students can deposit them right back into their lockers without having to lug them home.

The Textbook-Cover-Up will take place before and after school from Wednesday, September 5, through Friday, September 14, in the middle school/high school library.

The MS/HS library opens at 7:30 a.m. and closes at 3:30 p.m.
